

ELECTION CONSOLIDATION

What does election consolidation mean to voters? The main things that will affect the voters in Whitewater Township are the following:

- All elections, including school elections will be held at one location.
- Elections will be held on four dates in February, May, August and November.
- All elections will be conducted by local clerks.

If you have any questions regarding this issue, please contact township clerk Carol Hockin at 267-5141 Ext 24.
