### Rejuvenation of the Whitewater Township Fire Auxiliary

Planning Commissioner/Zoning Board of Appeals member Pat Miller has volunteered to head up the auxiliary and is looking for fresh new ideas & volunteers to join & help.

Their initial goals are to promote public awareness of the Fire Department and raise funds for needed equipment. Among the first projects under consideration involve providing reflective address signs to the community in an effort to enable the Fire/EMS Department to accurately and efficiently respond to your emergency when seconds really count.

If you have questions, ideas or would like to volunteer, contact Pat Miller via e-mail at [wwtfireaux@gmail.com](mailto:wwtfireaux@gmail.com) or by telephone at 231-264-5535.
