The committee offered the following for consideration:

- The document must be simple and usable – if too much is referenced, it becomes convoluted and unusable.
- The purpose of the document is to save lives and property.
- Utilize portions of the Grand Traverse County Plan.
- Add Ericson's to the list of potential threats.
- Explore and research the DNR's Forest Fire Division
- Find a way to merge a portion of the Band's plan into ours.
