**Budget Work Session**

Supervisor Popp prepared budget worksheets for all funds. It was noted that the board had previously reviewed the General Fund through Department 265. Picking up with Department 276, Cemetery, the remainder of the line items of the General Fund budget were reviewed and discussed.

Review and discussion also took place concerning all other township budgets, some more extensively than others depending on whether they had been addressed at previous budget work sessions. These included the Road Fund, Fire Fund, Park Fund, Recreation Fund, Ambulance Fund, Ambulance Replacement Fund, Public Improvement Fund, and Fire Capital Improvement Fund.

Consensus was reached that a final review of the budget before it goes to public hearing would take place on March 14 at 5:00 p.m. This date has been previously noticed.

Walton inquired whether the March 26 regular meeting should be cancelled. Consensus was reached to retain this date.
