Ron:

I've attached three documents to this email. The first is a copy of the Amendment with our redlines and FEMA's redlines. The second is a new, less wordy notice of adoption. The third is a clean copy of the Amendment with our suggestions and the new notice of adoption.

I do not have any concerns with the substantive changes FEMA made to the Amendment itself, as it looks like they only would like to change the parcel which are designated as flood prone hazard areas. I did notice that FEMA suggested a change to the Affidavit of Posting and Publication to remove the portion stating the Ordinance was recorded with the County Clerk. I would advise against the removal of this portion. MCL 41.185 requires the Township Clerk to file an attested copy of the Ordinance with the county clerk. Otherwise, I have suggested a few changes to the Amendment for clarity and completeness.

With respect to the agreement, would you like us to FOIA request or make a request of the County to get a copy for the Township so we can confirm the version you have is the version the County has as the final executed version? Similarly, we can approach the conversation with them that FEMA is recommending the parties together and update their agreement. While it is not that old, there is no particular reason we can approach the issue. I presume other local entities in the County may have even asked already.

Please reach out with any questions or concerns. Also note that we have a few days to also address any comments or responsive feedback from you as well before the 22nd, so feel free to let us know if you need anything further.

Sincerely,

Chris

Subject: Floodplain

Good afternoon Sir -

Consistent with Board discussion 12.13.2022 attached please find language for Amendment No.1 to Whitewater Township General Ordinance No. 53, a proposed Notice of Adoption, and Notice of Public Hearing.

The amendment redline document was generated using the original ordinance provided by your office near the middle of 2018. FEMA also required we provide them with draft documents for their "pre-approval" before setting a Public Hearing. That task was accomplished and the FEMA recommendations appear in **Red**. Donna Cervelli's (FEMA) email critique of the proposed amendment is provided for reference.

Cheryl recommended a less wordy version of the Notice of Publication if possible.

The Public Hearing Notice is provided for your approval/amendment.

Donna also recommends we update the intergovernmental agreement with Grand Traverse County however, I see little chance of that happening. The County Provided a multi-year agreement for a reason. A fully executed version of all documents was requested from the Clerk but denied, yes denied. The document provided is the copy I signed but have no way of confirming it is actually in place thus placing the community at risk.

I would like to have the review returned by 2.22.2023. If that is not possible please indicate a delay as soon as possible.

Thank you.
