# Whitewater Township Master Plan Review

## Edits to the 3-19-24 Draft

The Draft Whitewater Township Master Plan was produced on 3-19-2024, and the PC/ROS will formally review it starting on 4-18-2024. Please use this template to organize and structure topics and conversations to facilitate this process. This will help provide clarity as we identify, discuss, and change this draft to better align with PC/ROS views.

Please remember that this Master Plan defines the steps to take forward based on community input. While we can't fully resolve all planning issues in a Master Plan, we can identify goals and future action steps. Several action steps will require more evaluation, study, and consensus-building to arrive at something actionable.

### **1. Briefly Describe the Issue / Topic (Include Chapter reference and page #s)**

### **2. Describe Proposed Change / Issue**

### **3. Offer Proposed New or Edited Language OR Describe Proposed Change(s) as Specifically as Possible. Provide Attachments as Necessary**
