Unfinished Business:

-We want to set a date for the field trip to Millbrook, but Gray will not be here for the May 8th meeting, so we will try for the June meeting.

-We are thinking about going with an Epson Scanner, (we will talk to Ron Popp about it more).

-Talked to Lake on the phone(because he did not make it to the meeting), and he told us the measurements for the Mail Box that was in the Post Office, it is made out of solid oak, it is 6 feet wide, 48 inches tall and 10 inches deep.

New Business:

-Another thing that Lake told us on the phone, he received a book from Alice (Roleen) Rennie-Carpenter, and the name of the book is *Angell Plateau, Memories of a Farmers Daughter*. It is on Williamsburg/Bates and Elk Rapids areas. Lake said that Gray is in one of the Elementary School photos in the book.

-Gray is taking the Boyne City photo to a frame shop to get framed. Then we will figure out a time to go to Boyne City. We also want to see if they have anything from our area.

-The Historical Society received a framed basketball letter (that goes on a letterman jacket) from Ronda Cox, it was awarded to her for playing three years of high school basketball. The year it was awarded was 1958. She would like it hung in the hall with the school photos.
