Unfinished Business:

-We went over the list of questions that we have for the oral interviews, all members were very happy with the list.

-The members were very pleased with the camera that Snider purchased for the oral interviews.

-For a practice run with the camera we did some of Basil Gray's oral interview, we were very happy with the results of the performance of the camera, and the projection capabilities will be a great asset.

New Business:

-Gray was checking into some prices for a Record Eagle ad, the small township articles are free, and then the price goes up with the size of the ads.

Gray suggested waiting on the ad in the Record Eagle, being it is coming out in the spring township newsletter. So we are waiting to see if we get any response from the newsletter.

-We have a very nice article in the spring newsletter along with two old photos of our area.
