Public Comment:

-Mary Baggs had some questions for us regarding information about some of her family members, we talked to her about what information we had.

Correspondence:

-None.

Unfinished Business:

-We went over different things about the school reunion, regarding the question sheet and other details.

-Lake added some more questions that he wanted me to ask Doris Stities at the next interview.

-Larry Lake and David Colman went and viewed the trappers cabin on the county line road regarding Indian activity there, and some mounds off the Meadows property by the creek, Lake thinks that is graves of pioneer people.

New Business:

-We were just recently asked by a resident about becoming a member, we need to come up with some guidelines for people to become a member of our society. Lake suggested we have two different guidelines, one for a member and one for an officer.

Public Comment:

-Here is some new information that we received involving 11 train wrecks in our area between these three stops, (Bates, downtown Williamsburg, and just past Mill Creek School on old m-72). And there was also a train accident on Skegemog Road (1958 or 1959) the car stalled on the tracks and the husband/dad was trying to push it off but his wife and 2 children ended up dieing.

Adjournment:

-Lake made the motion to adjourn the meeting and Snider seconded the motion.
-The meeting was adjourned by Snider at 9:00 p.m.

Respectfully submitted,
