New Business:

-We picked a date to view the other cemetery and that will be at the October 8th meeting.

-Photo's that Gray donated to the society; they are a very nice addition to our history. There are a few that the society has never had.

-The bottles and history that Nancy Olson donated to the society are a very nice addition to our history also. There is one bottle that has Dr. W.S. Springsteen's name on it and he was a doctor in Williamsburg in the 1870's, and her grandfather was a doctor in Williamsburg in the early 1880's and died in the mid 1880's his name was Dr. White and then after his death his wife started a grocery store in the old burg and then they moved up to the new burg in the building that Snider's reside in now, the building is 101 years old.

-Pam Mervau came to the meeting and she is looking for information on four different families that were from Williamsburg and she has some photos and information for the society, so we will be getting back with her on that.
