Unfinished Business:

-Discussed with Birks about our request for photos of Mabel Michigan and to see if he had any. He doesn't think he does, but he will look online to see if he can find some photos or some other information on Mabel that we don't have. Gray is also going to do some checking online to see what he can find on Mabel Michigan as well.

-With the cost of the copies of the information we find, Snider will be talking to the township clerk about it.

-Getting ready to do Gray's oral history, he is checking on some photos to go with his stories.

-Snider is going to try and purchase a CD with the history of our two cemeteries.
