Whitewater Township Emergency Services Advisory Committee

Minutes of Special meeting held August 29, 2011

JB
9-6-11

Call to Order

Chairman Rod Kuncaitis started the meeting off at 6:30 with a cook out at the Fire Station 8308 Old M-72, Williamsburg, Michigan.

Roll Call

All committee members present

Others Attending: Recording Secretary, Lisa Bowerman, the WWT Fire Dept. and members of the Fire Auxiliary, 2 WWT Board members.

Purpose: General

The ESAC put on a cook out for the Fire Dept. followed by the Fire Fighters answering a questionnaire that the Committee put together.

- Chief Tim Arbenowske reported to the Committee that everyone is pitching in and helping around the station, the doors are open and community members are stopping in.
- He also reported that the Fire Fighters have all been updated on their training and will continue with their training.
- Other Fire Depts. have told Whitewater they are available for any help needed.
- Discussion about the facility wants and needs of the station.
- Discussion about the radios.
- Discussion about the Dept. owning a boat for rescue.
- Chief Sedlacek addressed that equipment is bought on a need basis and they rotate between Depts. He also clarified that they did not buy a boat for another township, the monies came from a Foundation. He reported that they are working on a grant, if this grant comes through it would provide 7 new radios per station.
- More discussion about everyone pitching in and helping.
