MARCH IS READING MONTH

Family Fun Night
Thursday, March 15, 2012
5:00-7:00 PM

Join us for a celebration of reading as we travel through the waters of our world. Chart your course as you participate in more than a dozen interactive activities that explore the river, pond, lakes, and oceans of our world. Presenters from several local water organizations will be sharing their efforts to protect our waters and share how we can too. Participate in the H2O Olympics, craft activities, interactive demonstrations and much more.
